VIETNAMESE TEA

DAI LAO VUONG TRA SELECTION

Dai Lao Vuong Tra | Grand Elder Tea King

The Grand Elder Tea King is a collection of rare Vietnamese teas growing high up in the Yen Bai mountains ceaselessly blanketed by clouds and mist. At over 300 years old, the naturally growing ancient tea forests are indigenous to Suoi Giang, Yen Bai. Harvested by hand in the early hours of dawn, the delicate tea buds are tenderly plucked with their unique characteristic flavor intact then carefully roasted by local artisans whose secret inherited techniques span back generations.

We invite you to drink, experience, and immerse yourself in the nature and very soul of Suoi Giang - Yen Bai.

White Tea | Bach Tra Suoi Giang

360

White tea is the least processed of all teas and is known for its delicate flavors. Century old trees produce this white rare tea ; it is the essence of hundreds of years of know-how offering you one of the finest Vietnamese teas.

Character : Bright | Body : Light | Aroma : Floral | Finish : Short

Green Tea | Diep Tra Suoi Giang

165

Green tea has been grown in Vietnam for more than 2000 years. This green tea is particularly floral and crisp due to the pure air of the high mountains in which it is left to dry after being picked and processed.

Character : Medium | Body : Crisp | Aroma : Floral | Finish : Medium

Yellow Tea | Hoang Tra Suoi Giang

165

According to legend, Hoang Tra was originally offered to the Emperor, due to its unique golden hue color and flavor. Only selected tea buds are hand-crafted by the best tea artisans, creating unparalleled taste.

Character : Bright | Body : Medium | Aroma : Fruity | Finish : Short

Black Tea | Hong Tra Suoi Giang

165

This characteristic black tea is noticeable due to its high oxidation having changed the leaves from green to a darker color when dried ; the result is a strong and distinctive reddish brown tea that is the pride of the land and the Mong natives.

Character : Intense | Body : Full | Aroma : Mild | Finish : Long
